50 / 50
WINNINGS 50%   50% FOR FUNDS
CLUB

50% of the money paid in will be paid out to 50 winners during the year
with the other 50% going to School Funds to improve school life for all students

SO HOW DOES IT WORK ? ? ?

Once you have paid your subscription and registered your membership you will get a number, that number is then put with all the others and if randomly drawn you could be 1 of 4 winners in each of the 10 draws, AND 1 of 10 winners in the Grand Draw ! !   Adding up to 50 Winners in the Year

HOW MUCH COULD YOU WIN ? ? ?

That depends on how many numbers are in the Club, the prize pot is 50% of the total money paid in with 50% of that money being for the monthly draw and 50% for the Grand Draw. For example:

If we have 100 numbers paying £24 each = £2400 gives
50% Winnings and 50% For Funds = £1200 each
Then
50% of £1200 for the 10 draws = £600
= £60 each draw
= £15 for each of the 4 winners
AND
50% of the £1200 for Grand Draw = £600
= £60 for each of the 10 winners

But if we have

200 numbers the winnings increase to
£30 for each of the 4 winners in the 10 draws and
£120 for each of the 10 winners in the Grand Draw

250 numbers the winnings increase to
£40 for each of the 4 winners in the 10 draws and
£150 for each of the 10 winners in the Grand Draw

SO the more numbers IN the more winnings OUT and more funds for the School !!

For 2023/24 the membership as of 31st May 2024 will determine the amount of winnings.
