

CCGS Round-Up

Parallel Universe

A message was sent home to parents of KS3 and KS4 students about the Parallel Universe; an online maths club for enthusiastic mathematicians. Please encourage your child to participate as this is a great opportunity to experience some interesting maths problems not included in the curriculum.

Geography and Reading

Look out for an email from school with some great ideas of books for geographers. There are some suggestions for KS3 to KS5. You may have seen the list before but there are some new additions. Perhaps people are thinking about getting organised for the festive season, great stocking fillers!

French & Spanish Revision Guides

The MFL department will have French and Spanish revision guides available to buy on Y11 parents evening. The revision guide is £2.50 and the workbook is £2.50. Please bring cash if you would like to purchase them from your child's teacher.

'A' Level English Literature Conference November 12th

There are still a few places left to fill on this trip if your child is studying English 'A' Level. Please check ParentPay and pay online if you want your child to attend. The trip is open to year 12 & 13 students.

KS3 Reading Across the Curriculum

The non-fiction reading has been set on Satchel One for years 7, 8 & 9. Year 7 are reading about mathematical patterns in nature, Year 8 are reading about the period 1500 - 1650 in History and Year 9 are reading about personal exercise in PE. Please ensure your child is completing it so they are building their reading habit & knowledge across all their subjects.
