

CHATHAM & CLARENDON GRAMMAR SCHOOL

Dear Parent/Carer

We have recently launched **Show My Homework** at CCGS, part of the Satchel One platform. **Show My Homework** is an online tool to help you keep track of your son/daughter/ward's homework. It will allow you to see full details of the tasks they have been set, all their upcoming deadlines and any submission statuses or grades recorded by their teacher.

We have chosen to introduce this system to improve our parental communication and to give you greater visibility into the homework we set. We also hope it will improve their organisation, time management and ability to keep on top of their workload.

When your son/daughter/ward starts with us in September, details will be sent to you and them about using this platform. You will be able to create a personal parent/guardian account. This is linked to their account, where you will be able to see their To-do List and any overdue homework. You can log in via the mobile app to receive push notifications while on the move. This can be personalized for your own convenience.

Yours sincerely,
